

Dear Tribe Aces, Future Tribe Aces, and Tennis Enthusiasts:

Now in its 21<sup>st</sup> year, the Tribe ACES is the official booster club of William & Mary Tribe Tennis. The consistent support and friendship that originate with the Tribe ACES have become indispensable elements of our team members' athletic experience – it makes being a Tribe tennis player uniquely special!

If you haven't ever been a member of the ACES, I encourage you to join. Membership benefits not only the W&M players and coaches, but the ACES themselves. The opportunity for developing relationships, introducing children to exceptional young role models, and being connected to an exciting atmosphere of athleticism, sportsmanship and spirit . . . membership in the Tribe ACES provides a doorway to all of this.

Also, new this year we are extremely excited to announce a special **exclusive** benefit for ACES members who play tennis at the McCormack-Nagelsen Tennis Center – access to PlaySight SmartCourt technology. PlaySight's camera-and-kiosk system provides instant multi-angle video replays and detailed statistics about every shot played. The system uses advanced image processing and analytical algorithms to capture and log stroke type, ball trajectory, speed and spin, in-depth shot data, player movement and more. **Use of this system will ONLY be available to the Tribe Tennis teams and Tribe ACES members!** Don't miss out on this tremendous development tool! Learn more here: <https://www.playsight.com/#/tennis>

Please print and mail the attached application today, and renew or start your membership. Thank you for your continued support and we look forward to having you as a member of the ACES!

Sincerely,
