

## Ball Machine Usage

Please review the new policies which will take effect on July 20, 2019

A set of keys or another valuable item will be exchanged for use of the remote for the ball machine to ensure the remote is returned prior to leaving the facility.

Please place a towel under the machine during use to help collect the yellow felt which comes off of the balls.

Please DO NOT run over the extension cord with the ball mower as it will damage it and can result in a fire hazard.

Please return the machine to the area located behind court #5 after it has been used unless otherwise told to leave it on the court for the next reservation.

Charges may be incurred to replace a damaged extension cord or lost remote.

Lost/Damaged remote            \$200

Damaged extension cord        \$100
